

Sonifex Warranty Registration Form

As standard, Sonifex products are supplied with a **1 year** back to base warranty. In order to register the date of purchase and so that we can keep you informed of any product design improvements or modifications, it is important to complete the warranty registration online within 30 days from date of purchase.

Additionally, if you register the product by **completing/saving** the form below and **email** it to sales@sonifex.co.uk (placing the words: **Sonifex Warranty Registration Form** in the subject), you can increase your product warranty to **2 years**.

Please complete and **save** this warranty registration form. All **red** cells with an ***** are required. Thank you.
